What does PTO do for Annunciation Youth Ministries?

We: 1. Organize Events!
2. Raise Money!
3. Make Things Happen!

- **PTO is committed to ensuring ZERO program fees for youth ministries** (except for Greek School) so our children can participate in as many youth activities as possible.

- **PTO is proud to fully fund the virtual programming** planned by our youth ministries this year so they can meet the educational and spiritual needs of our children.

- **PTO is creatively planning fall events for our youth** to come together in a socially distanced manner. Our annual fundraisers will take place in new and different formats.

- **Annual membership dues are $25 per family** and help to offset the cost of the many youth programs PTO supports. Membership is open to ALL parishioners!

- **PTO Membership gives you:**
  (i) a voice in how we support our youth and in the programs we pay for;
  (ii) a space to communicate your ideas for PTO activities and fundraisers; and
  (iii) a chance to serve on the PTO Board with elections in the spring of 2021.

- **We need your help!** Our events cannot be successful without your help. Please indicate events you are interested in helping to organize or staff on the PTO Membership Form, or contact any member of the PTO Board and volunteer your time!

- **Become a member of the PTO!** Help keep our parish youth programming robust by joining the PTO. Click the link below to be directed to our membership registration page or visit the PTO page of the Church website. Dues can be paid via GivePlus on the Church website. Please make checks payable to Church of the Annunciation PTO.
