Matthew 25
Virtual Lenten Meat Drive

Monday March 15th is the first day of our Lenten spiritual journey to Pascha. As Archbishop Elpidophoros reminds us of the Lenten season, it is a time “to practice more active charity and philanthropy, and to look within at the values and principles by which we live our lives”. We are given many opportunities during this season to pray, worship, gain insight into our own behaviors, and intensify our efforts to serve the needs of others.

In past years, Matthew 25 has done a 40 Days of Lent Food Drive, providing bags for our parishioners to fill each of the 40 days of Lent. With Covid-19 making it difficult to do this year, we have decided instead to do a Virtual Meat Drive. We ask that you simply go to our church’s website to “Online Donations”, scroll down to “Matthew 25 Donations”, and donate what you wish. You can specify “Lenten Meat Drive” as the purpose of donation. The Matthew 25 Ministry will then purchase various types of meats, including ham, beef and pork roasts, and chicken roasters. These items will be delivered to the Seeds of Hope Food Pantry by March 22.

Thank you for your participation and donations! Kali Sarakosti!
