Dear Fr. Ted. Trifon Scholarship Applicant,

Thank you for applying for a Fr. Ted Trifon Scholarship. This is the final year that this scholarship will be offered. Your interest in this academic scholarship is an honor to us, and we are proud of your plans to pursue your formal education.

Just a few comments about the application process. In considering your request for a scholarship, we are asking for a few items of information about you. We need you to supply us with current and official transcripts of your academic work, from high school or college. These should be sealed and stamped from either your high school guidance counselor’s office or from your college registrar’s office.

In addition, letters of recommendation and character reference letters must be current as well. Please do not include letters which you have previously submitted.

We ask for a paragraph in which you explain why you should be awarded a scholarship. Keep in mind, this is an academic scholarship. We assume that you were active in G.O.Y.A., and that you volunteered at the Greek Festival. What we are looking for is for you to encapsulate, in one paragraph, why you are deserving of this scholarship. Again...one paragraph.

Lastly, should you be awarded a scholarship, the check will be made out to the school you will be attending, and will expire six (6) months after the issuance date. Expired checks cannot be re-issued.

If you have any questions about the application process, please call Dimitrios Mavraganis at 414-640-9115, or John Demetropoulos at 480-922-7850.
