

FRIED FISH DINNER TAKE OUT ONLY

Beginning this Friday, August 7th

Ahepa and the Daughters of Penelope will begin serving Fish Dinners with Skodalia, Pickled Beets, Vegetable, Bread, Salad and a Desert. Over time, we will introduce Fela, Keftedes, Pastisio, and other delicious dinners to our menu.

You may call your **Take Out** orders to the Ahepa Home at **727-934-8842** beginning at **4:00 pm**. We will serve from **5:00 pm to 7:30 pm**. Each dinner is \$12.00 and we would prefer checks made out to Ahepa.

Everyone's **SAFETY** has been our concern. The Rule for Each person serving, in any capacity, will be to wear a mask and be temperature tested. No one is allowed in the Ahepa Home unless they follow the same rules. The Bar will be closed.

We are as anxious as you are to open the Ahepa Home on Fridays. At some point, we may Open the Ahepa Home on Fridays with Reservations Only.

We appreciate your support. Friday night dinners have been the main source of our income. We are at a serious point in our finances.

Sincerely,

John Lelekis, Ahepa President
Dolly Vatikiotis, DOP President
