

Church School Food Drive

to benefit the
Center for Food Action

November is known for its cooler temperatures, beautiful fall colors and of course, Thanksgiving. During this time however, it is important for us to think of the many in our own community who do not have enough to eat. Food insecurity has been severely exacerbated by the pandemic.

We have so many blessings to be thankful for, please remember those less fortunate in your next trip to the supermarket. Non-perishable food items can be dropped off in the church atrium. Please ensure all food donations are within their expiration dates.
