

## **Looking for Tarpon High School and Tarpon Middle School Mentors!**

We are looking for spirited volunteer mentors who are willing to join the Pinellas County School system in transforming the path for our youth and the communities they live in during their lunch hours. There are many opportunities to volunteer as a mentor to the youth of Pinellas County such as Role Modeling, Tutoring, Take Stock in Kids, Big Brother Big Sister, and Lunch Pals. The volunteer coordinators have helped Fr. Sampson and other church's volunteers make matches with youth from their own respective communities but ultimately will pair volunteers with youth that will enrich both the Mentee and the Mentor.

If you are interested, contact Fr. Sampson Kasapakis at [FrSampson@stnicholastarpon.org](mailto:FrSampson@stnicholastarpon.org) or on his phone (941)-266-3229.

Please note that before you can begin, you will need to attend a one-hour workshop with presenters from the County School Board and you will be matched to a school closest to where you live or work.

Bring a friend - Make an Impact, be a Mentor. Act Now.
