

**Dear community of our beloved  
Annunciation/Evangelismos,**

*Christos Anesti!*

We pray that this note finds you all in excellent health and hope you continue to be safe through this pandemic. As most of you know, the unavoidable circumstances of this virus are reaching every household in one form or another, while supplies in grocery stores

continue to get very low and quite limited.

We're extremely blessed as a community, and as a "Matthew 25 Ministry," we're deeply touched by your continued support to help with monetary donations in these tough circumstances. We successfully made our planned delivery to Seeds of Hope pantry the week of May 11th. Even though we took care of the delivery separately to adhere to the protocol set by the pantry, we successfully dropped off the necessary things guided by the pantry's needs - eggs, soups, butter, feminine products, soaps, along with our very own personal donations were very much appreciated and welcomed. Keeping your safety in mind, we would like to encourage you to keep using the [GIVE PLUS app](#) for your monetary donations throughout this COVID-19 period until the church is fully functional.

Your monetary donations, along with our very own as M25 team, helped us take it a little further as we try to expand to help more people in need. With your most gracious donations, we were able to make monetary contributions to Philabundance, Mattie Dixon Community Cupboard, as well as St. George Senior Housing Corporation- please see below the thank you note from the senior housing of St. George.

Stay safe and use social distancing a little bit longer. May God's hand be with all of you to keep you safe and pray we can rejoice in our beloved Annunciation all together again soon!

Thank you for keeping our M25 Ministry in your hearts and for your continued support!

God bless - Matthew 25 Ministry

Lisa Trivellis  
31 Trailwood Drive  
Holland, PA 18966

Dear Mrs. Trivellis,

On behalf of the residents of Saint George Senior Housing I would like to thank you and the Matthew 25 Ministry for your thoughtful and generous donation.

The money was put towards the procurement of frozen meals for our residents that were delivered to their apartments. We are thankful for the wonderful people at Annunciation that help those less fortunate not only now in this crisis but in a continued capacity. May God continue to bless you all.

With sincere gratitude,

Agnes Zidros

Property Manager
