

# St. George Festival Fund Appeal

Unfortunately, because of the continued “stay-at-home” mandates our two major fundraisers have been cancelled this year, the Greek Festival and 50/50 Raffle sales. These two events are the ones which allow the church to meet its operating expenses through the summer and into early fall. Our Parish Council is sensitive to these challenging times and has taken extreme cost cutting measures and has looked into the government loan programs. However, we are in need of revenue to continue to operate our church on a weekly basis. *To counter the adverse effects of the loss in Festival and Raffle income, our goal is to raise \$75,000 over the next two months. We are asking 250 families to contribute \$300 per family to our “Festival Fund” to help us reach our goal. Other donation amounts are always welcomed and donations can be made online at [www.stgeorgeclifton.org](http://www.stgeorgeclifton.org).*

We would like to thank everyone for their continued support of our Saint George Church. We are grateful to the following 14 “families” who, as of May 14, 2020, have made donations to help us achieve our goal:
