

Philoptochos Outreach

Holy Cross Philoptochos is seeking your assistance with our November/December Outreach Projects.

We are joining forces with the **Park West Foundation** which focuses on helping youth currently in or aging out of the foster care system.

During November we will be making care packages containing masks, hand sanitizers, cleaning supplies, hygiene items (soap, toothpaste, toothbrushes, hair products, deodorants) and snacks.

**November Project dates are
November 1st to November 21st.**

For December we will be "adopting" young adults or teenagers and outfitting them with a coat, hat, gloves, scarf, an outfit, and a fun item that they might request.

**December Project dates are
November 22 to December 20th.**

Any assistance you wish to give will be welcomed.

We will place boxes and baskets in the church foyer for you to drop in your donations.

If you wish to donate cash or checks, we will gladly buy the needed items.

For information please contact Mary Lucas.
